SURFACER S SERIES

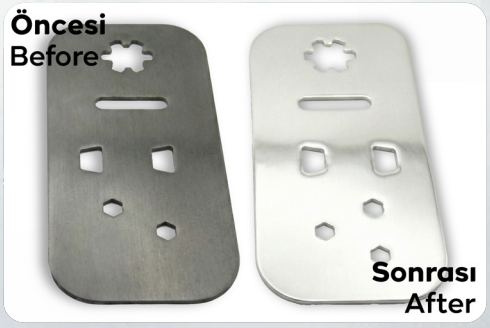

Çapak Alma, Kenar Yuvarlama ve Satine Makinesi

Deburring, Edge Rounding and Satin Finishing Machine

TFON Surfacer S Serisi Kompakt, ergonomik, yüksek performanslı. Küçük ve ince parçaları son derece hassas ve güvenilir bir şekilde işler. Kompakt ve ergonomik tasarımı, üretim hattına kolay entegrasyon sağlar. Yüksek performansı sayesinde çapak alma ve ihtiyaca uygun kenar yuvarlama çözümlerini verimli bir biçimde sunar.

TFON Surfacer S Series is compact, ergonomic, and high-performance. It processes small and thin parts with precision and reliability. Its compact and ergonomic design ensures easy integration into the production line. Thanks to its high performance, it efficiently delivers deburring and custom edge-rounding solutions.
